FAQ

Q1: Do you support customization?

A1: Sure, we support both hardware and software customization.

Customize your company's logo on the wooden frame is welcomed. The display screen of the mobile app startup can also be customized if you meet our MOQ requirements, please consult our sales representatives for details.

Q2: What size screens do you have?

A2: The sizes we can make are: 16, 21.5, 24, 27, 32, 43 and 49 inches, the maximum can be 55 inches.

Of course, if you have other recommended sizes, pls kindly tend to our sales representative for consult.
